Greiner-Maltz

Monday, June 08, 2009 - Long Island City, NY, June 8, 2009 - Greiner-Maltz has added New Jersey to its Queens, Brooklyn, and Long Island coverage areas with the addition of its new office at 250 Moonachie Road, Moonachie, NJ.

Greiner-Maltz of New Jersey is headed up by its principal and managing partner, Raymond Musalo, a 35-year veteran and industrial and commercial real estate expert. "There is more need than ever for an experienced, regionally based brokerage firm in New Jersey due to the stresses placed on owners and tenants alike in the current economy" stated Ray; who has specialized in 50,000 sq ft to 500,000 sq. ft. industrial property size ranges since the early 1970's.

Greiner-Maltz, with over 40 brokers in 3 offices, is now the largest region-specific brokerage firm in the NYC and Metropolitan Markets specializing in commercial and industrial brokerage services.

The Greiner-Maltz Long Island City Office at 42-12 28th Street, Long Island City, NY (718) 786-5050, covers the areas of Queens, Brooklyn, Staten Island, and the Bronx; the new, Greiner-Maltz New Jersey Office at 250 Moonachie Road, Moonachie, NJ (201) 786-5050, covers the counties of Bergen, Essex, Hudson, Middlesex, Monmouth, Passaic, and Union; and the Greiner-Maltz Long Island Office at 131 Sunnyside Boulevard Plainview, NY (516) 364-1000, covers the areas of Nassau and Suffolk.

About Greiner-Maltz

Since 1953 Greiner-Maltz has been engaged exclusively in the leasing, selling, appraising and managing of industrial and commercial property in Manhattan, Brooklyn, Queens, Long Island, and New Jersey. The firm has three offices which are actively managed by John and Richard Maltz in New York, William Greiner in Long Island, and Raymond Musalo in New Jersey.
