## Greiner Maltz among 'best of'

Greiner Maltz has been selected as the recipient for the 2008 Best of Plainview Award in the Office Building Parks category by the U.S. Local Business Association (USLBA).

The USLBA "Best of Local Business" Award Program recognizes outstanding local businesses throughout the country. Each year, the USLBA identifies companies that they believe have achieved exceptional marketing success in their local community and business category. These are local companies that enhance the positive image of small business through service to their customers and community.

Various sources of information were gathered and analyzed to choose the winners in each category. The 2008 USLBA Award Program focused on quality, not quantity. Winners are determined based on the information gathered both internally by the USLBA and data provided by third parties.

"I feel considerably honored that Greiner-Maltz has been chosen to be the recipient of the 2008 Best of Plainview Award and I would like to thank the USLBA for recognizing that the foundation of our business is our involvement within our marketplace," said William E. Greiner, president of Greiner-Maltz, Company of Long Island.

"We start by listening to our clients, gathering information, setting goals and then establishing a clear line of direction for achieving our ends. On this solid base we have built a strong record of intelligent, effective performance. Our commitment to excellence is reflected in our attention to every assignment and to every customer. Our clients have found that we do what we say we will do, expertly and with integrity. They recommend us to their associates and they call us again when they have new requirements."
