ON THE MOVE

Director, Conversion Development, Greiner-Maltz

Gary Blum, 46, of Scarsdale has joined the Long Island City office of Greiner-Maltz, a commercial property brokerage firm, as director of conversion development. He will lead a team of brokers who are focused on the underused industrial base of Queens, Brooklyn and the Bronx. Throughout his 20-year career, Blum has worked on complex industrial, commercial and retail transactions including conversions.
