

JONATHAN ROTHSTEIN

Jonathan, an accomplished retail-industry executive with a track record of successfully overseeing the development and execution of high-impact merchandising, product development and marketing initiatives. A forward-thinker with a growth-oriented mindset, Jon is known for his ability to identify both unique and hidden opportunities. Throughout his career, Jon has built long-term relationships with business partners, clients and colleagues alike. As a creative problem solver, Jon also holds two patents.

At Greiner-Maltz, Jon is applying decades of experience to drive value for his clients across the industrial and commercial real estate industries.
