

## MAURICE SCHEMO

We are very happy to have Maurice as a new member of our team. Maurice is a seasoned Business Executive and Major Importer, having established Overseas Operations and Importing Programs from 22 Countries, which included domestic distribution for almost all major retailers.

Maurice has been able to apply his decades of experience, both as a business and property owner and user, to a deep understanding of the needs of Sellers, Buyers and Lessees in the Industrial space.

He has joined the team at Greiner Maltz after looking into many firms, due to our specialization in these areas. In his 1<sup>st</sup> year alone, he has listed and transacted over \$10 Million Dollars in Sales. As a Logistics consultant in NY and CA he is familiar and able to understand and address the needs of his clients; Property Owners, Users and Investors.

Contact him to see what he may be able to offer your situation.

His Personal Motto: Committed to adding value!
